

**David W. Long Elementary Student Recognition Program  
2015-16**

It is the desire of the D. W. Long staff to encourage positive behavior and provide incentives and attainable goals for all children. With this in mind, we have developed the following school-wide awards program. We encourage you to read through this with your child and help them decide which awards they want to attain. Then help them set goals to achieve those awards. **Office will keep track of students leaving early and it will disqualify them from perfect attendance.**
